- 1. Your meter must be read on the assigned "Meter Read Date" for the applicable month.
- 2. Simply mark on this sheet where your see the needles on your meter for the applicable month.
- 3. Use the "Submit Your Meter Reading" tool on our website to aid in filling in the boxes below the dials.
- 4. Your reading must be submitted by the "Submission Date" using one of the below methods.
 - a. The "Submit Your Meter Reading" online form at www.yukonelectrical.com

b. Phone (867) 633-7000 or (800) 661-0513 and have your account number ready.

TIP: Keep these worksheets for all your monthly readings and track your power comsumption. Once you have the idea, take it a step further and track your useage over other time periods (a day, week etc)

step further and track your ascage over other ti	— perious (a day, week etc).
